

Business Foundation

Ardévaz College

Established in 1981, Ardevaz College is a renowned and accredited college in Sion, Switzerland.

At Ardevaz we focus on specialized education. In addition to small, dynamic classes offered in English, Ardevaz students also enjoy an international environment while getting the best of Swiss and European curricula.

We offer a one-year Business Foundation (BF) program, which prepares students for our subsequent bachelor's programs. Ardevaz College has a global network of campuses, and we encourage students to participate in intercampus exchanges within our network of campuses. All courses are taught by highly-qualified faculty members with a wealth of practical experience in their fields.

Ardevaz faculty works with students on an individual basis to create a cooperative and caring learning environment in which human values flourish.

We provide student-oriented, flexible and personal education programs for all students.

Business Foundation Program

What is the Business Foundation Program?

The Business Foundation program (BF) is a two-semester course that acts as a bridge to the first year of bachelor's degree programs and a complete preparation for undergraduate business degree programs worldwide.

Students will strengthen their academic, communication and business English skills while studying management and marketing concepts. Upon successful completion of the BF program, students are automatically admitted into one of our worldwide partner programs.

Your pathway to a global university

Ardevaz Business Foundation program is an intensive year long program designed to prepare you for the degree subject of your choice. The syllabi have been tailored to provide the skills and experience needed for a success at university and beyond. Based on the A Level syllabus, successful completion to the required standard of the Foundation year can lead to a place to a prestigious university. Subject-specific modules are complemented by English language tuition and study skills to equip you for university level education. The program is designed for students who:

- Are looking to succeed in their studies and apply to a degree at a university
- Are aged over 17
- Are willing to undergo rigours of an intensive course in order to start university within a year
- Want to improve their English and study skills to succeed at university and in the workplace

Business subjects

In Ardevaz Business Foundation Program we specialize in international business subjects, providing enrichment programs to complement your chosen subject and encouraging active engagement with local thought leaders.

Business English language preparation

At Ardevaz we recognize that the most able students are those that have developed good language, communication and study skills. In recognition of this, we have developed the Ardevaz English language Preparation Programme, as an efficient way of improving.
